

# Comfort Care Kit Drive

For kids coming into foster care, underprivileged and homeless families

Every day, hundreds of youths enter the foster care system. We hope each child is placed with a loving and supportive foster family. However, even with the best placement, the first night can be scary for a child who was removed from their home and separated from their family.

The sometimes-sudden upheaval of their lives means they may not have basics. Most likely the children do not have time to pack a bag of their belongings to take with them to their new home. Our Church will provide Comfort care Kits with YOUR help!!!

## What's in a Comfort Care Kit?

A comfort Care kit will be a drawstring bag (provided by us) packed with age-appropriate personal items, creating a sense of comfort and security for the children on their first night in foster care, these kits can also be given to any homeless youth that maybe in need.

**Hygiene Products:** Toothbrush, Toothpaste, Deodorant, Travel size Shampoo, conditioner, Body wash, Lotion, Hairbrush, comb, feminine products, single pack tissues, fuzzy socks, Small stuffed animal, toy, puzzle or yoyo, crayons, coloring book, journal, pencils, stress ball Snacks, water, juice box

All These items can be purchased in the dollar store choose as little or as many every bit helps, or a monetary donation is welcome, and we can do the shopping. Many Thanks for supporting this much needed Local Mission!!
